Solel School Payment Method

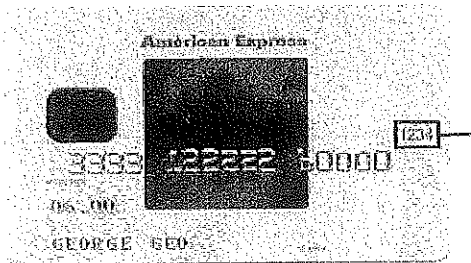

All parents are required to keep a method for automatic payment on file with the preschool. This can be an auto debit from your checking or savings account (electronic funds transfer) or you can use your VISA, Master Card, Amex or Discover credit cards. Automatic payments will be processed through Tuition Express on the 27th day of the month. Parents always have the option to pay their account balances prior to the 27th via check or cash. Any remaining balance on your account will automatically be charged on the 27th. If your account is declined a \$25 processing fee will be assessed so please be sure you keep us notified of any change to your account.
